

What I Must do to Keep Safe Online and With Devices

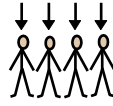

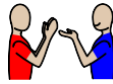

I will only use the devices I am allowed to use.

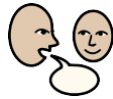

I will ask a trusted adult before I use new websites, games or apps.

I will ask for help if I'm stuck or not sure.

I will be kind and polite to everyone online.

I will tell a trusted adult if I feel worried, scared or nervous when I am using a device.

I know people online sometimes tell lies.

I never have to keep secrets from my trusted adults.

I will not change clothes or undress in front of a webcam.

I will keep my information private and not share my location or passwords with anyone online – I will speak to my trusted adult.

I know that anything I do or say online might stay there forever.
